Player will get a hat and uniform to keep. \$5.00 discount for multiple players

T-Ball Information: T-ball participants are mostly 4-6 years old, in the past there have been 3 year olds that have played. T-ball starts the second Wednesday in June. Games are played on Wednesdays at Herb Reffue Park in Clinton. There will be 6 games and usually a game is not played on the week of the 4th of July. All participants will receive a t-shirt and baseball. Once the coaches are assigned teams the coaches will call each team member to let them know when to be at the park on that first Wednesday. T-ball registration needs to be received by May 23rd, 2017. T-shirts have to be ordered, if you wait till after the above date it is very possible you will not get a t-shirt.

Home League Information: All games will be played in Clinton. Practices will start after we get volunteers to coach. There will be a practice or two before teams are split up. Practice times and days will be up to the coaches. The game schedule will be made after teams are selected. If you have questions you can call, text or email me at clintonyouthbaseball@yahoo.com

Cactus League General Information: This information applies to all the Cactus Leagues teams. As soon as we get coaches to volunteer practices will start at their discretion. Practice times and days are up to the coaches. There are home games and away games. Most away games are in nearby towns in Walworth County with North Boone and Hebron being the exception. There is a website that will show the schedule, field locations, rules and standings. That information is usually available around the 1st of May. The website is: https://apm.activecommunities.com/delavanparkrec/ActiveNet_Home?FileName=showleagues.sdi. You can also search for “Delavan parks and recreation” and usually find the website.

14 & Under Cactus League Information: Participants in the 14 & under league are 13 & 14 years old. **If you are on the High School JV or Varsity rosters you cannot play in Cactus league.** Games have started the second week of May in the past and continued through the beginning of July with a single elimination tournament being played the second weekend of July. Games have been played at 6:00 pm on Mondays and Wednesdays in the past and I expect it to be the same this year. In the past there have been approximately 14 games per year, half at home and half away, this may vary depending on how many teams the other towns have. The home games will be played at the baseball field behind the Clinton Middle School. Players will get a hat to keep, and also will be issued a jersey that needs to be returned at the end of the year.

12 & Under Cactus League Information: Participants in the 12 & under league are 11 & 12 years old. Games have started the second week of May in the past and continued through the beginning of July with a single elimination tournament being played the second weekend of July. Games have been played at 6:00 pm on Tuesdays, Thursdays and an occasional Friday in the past and I expect it to be the same in this year. In the past there have been approximately 14 games per year, half at home and half away, this may vary depending on how many teams the other towns have. The home games will be played on the practice field at the Clinton High School. Players will get a hat to keep, and will also be issued a jersey that needs to be returned at the end of the year.

- For families with multiple players, they will get a \$5.00 discount off of each player.
