

Hello Clinton School District Families,

We have several important updates and reminders for you regarding the upcoming 2017-18 school year.

Online Registration: Clinton Community School District is pleased to offer online registration for families for the 2017-18 school year. Families will be able to register their students online beginning tomorrow, Wednesday, August 2nd through the beginning of the school year. You may also pay your student's school fees online via eFunds from the comfort of your own home. Please follow this [step-by-step tutorial \(https://goo.gl/ThWCKU\)](https://goo.gl/ThWCKU) to assist you with completing your student's online registration. If you have questions or need assistance, please call 608.676.5482 ext. 2407. For families that do not have access or are not able to complete online registration, we will have staff available to assist you through the process on either one of our registration days.

Registration: Registration dates will be Tuesday, August 15th from Noon – 7:00 p.m. and Wednesday, August 16th from 8:00 a.m. – 4:00 p.m. You may choose to attend the registration date that works best for your family. **Registration for ALL STUDENTS will be held at the Clinton High School only** (in air-conditioning). We want to make registration as convenient for families as possible with a "one-stop-shop". Families can verify they have completed their online registration, pay school fees, and students will have their picture taken - all at the high school. There will be multiple cameras set up in the high school gym with designated areas for students of each building. Please remember school photos are NOT included in your school fees and a separate check needs to be made payable to "Lifetouch".

"What if I'm not able to attend either of the registration dates?" If you are not able to attend, please complete the online registration from home or stop at the District Office prior to the start of school. Picture re-take dates will be available at your student's school later this fall.

Important information will be sent to families via email so please update any information via Skyward Family Access or contact the district office by calling 608.676.5482.

If you know of a family or student that is brand new to the district, please encourage them to contact our district office to enroll.

The first day of school is Tuesday, September 5th. Reminder – student start time for the 2017-18 has changed. The new student start time is 8:20 a.m. at each of our schools. Be watching for the **Cougar Connection** to arrive at your doorstep within the week with additional important information. Check out our website for the most up-to-date information at www.clinton.k12.wi.us. As always, if you have any questions, please feel free to contact the district office at 608.676.5482. We hope you enjoy the remainder of your summer.

Sincerely,

Clinton Community School District
