

## **School & Athletic Physicals**

Physicals are recommended at the following grade levels:

Kindergarten, Fourth Grade, Seventh Grade, and Eleventh Grade.

If your child participates in athletics, WIAA rules **require** physicals every two years beginning in seventh grade or the first year of participation and every two years following.

The WIAA School Athletic Physical form may be obtained online on the athletics page at

The WIAA alternate year form can be found at the same location online.
