## Wisconsin Public Employers Group Life Insurance Program

You have an enrollment opportunity for life insurance coverage through the Wisconsin Public Employers Group Life Insurance Program if you:

- · Are under age 70;
- · Are enrolled in the WRS with your current employer; and
- · Apply within 30 days of eligibility.

You have an opportunity to enroll in Basic coverage or to increase employee coverage by one level (1x earnings) or add one or two units of Spouse & Dependent coverage if you apply within 30 days of one of the following family status changes:

- Marriage;
- · Birth, adoption, placement for adoption, or award of legal guardianship of a dependent child.

If you do not enroll for all available coverage when you are eligible, you may apply for future coverage through *Evidence of Insurability* (ET -2305).

## **Plan Summary**

The Wisconsin Public Employers (WPE) Group Life Insurance program offers employee coverage of up to five times your annual earnings. All five levels of insurance are available to state employees. The amount of coverage available to local government employees depends on which plans are offered by your employer. The following is a summary of the life insurance coverage that is available.

## **Coverage Options**

The Basic Plan provides coverage equal to your earnings for the previous year, rounded up to the next \$1,000.

The **Supplemental Plan** provides coverage equal to your earnings for the previous year, rounded up to the next \$1,000.

The **Additional Plan** provides up to three units of coverage. Each unit of coverage equals your earnings for the previous year, rounded up to the next \$1,000. Depending on how many levels of coverage are offered by your employer, you may choose 1, 2, or 3 units of Additional coverage.

The **Spouse & Dependent Plan** provides coverage for your spouse and all dependent(s). If you elect one unit of coverage, your spouse will have \$10,000 in coverage and each dependent (regardless of the number) will have \$5,000 in coverage. If you elect two units, your spouse will have \$20,000 in coverage and each dependent will have \$10,000 in coverage.

#### **Amount of Coverage**

The following is an example of how the amount of employee coverage is determined for an employee who chooses Basic, Supplemental and 3 Units of Additional coverage. The employee's previous year earnings are \$53,200. The earnings rounded up to the next thousand equals \$54,000 of coverage. The employee has coverage as follows:

Basic: (1x earnings) = \$54,000

Supplemental: (1x earnings) = \$54,000

Additional (3 units): (3x earnings) = \$162,000

Total Amount of Insurance Coverage: (5x earnings) = \$270,000

## Coverage for Active Employees Age 70 and Over

If you are actively employed when you turn age 70, your Basic coverage will reduce to the final post-retirement coverage amount and continue for life with no premiums due. Your Supplemental and Spouse & Dependent coverage will cease on your 70th birthday. Your Additional coverage will continue until you cancel coverage or terminate employment.

## **Effective Date of Coverage**

If you file an application within 30 days after becoming eligible, the effective date will be the first day of the month following 30 days from the date of hire or the first day of the month following 30 days from the date of the qualifying family status change event. For claims purposes, an employee's election date will be the point of reference for providing coverage and paying claims. Election date is the "Date received by employer" (or the date received by ETF if eft incomplete) but not earlier than the date of hire or the date of the qualifying family status change event.
