

August 5, 2019

Dear Parents, Students and Staff of the Clinton Community School District,

Go Riteway Transportation Group is pleased to be chosen as the school bus contractor for the Clinton Community School District. We are a Wisconsin, family owned and operated company with strong ties in the communities that we serve. At GO Riteway our core values are Safety, Integrity and Teamwork. These values are the guiding principles that dictate our behavior and actions.

As part of our process of building a strong partnership, we will work with the district to provide a personalized experience and service that meets your needs. We look forward to meeting your school staff, families, current and future drivers as well as community members in the coming weeks and months.

We are busy getting ready to transport students beginning this fall! We held a meeting with all current bus drivers to meet members of our Executive and HR team in July. We have retained a number of the regular drivers from the School District and will be working with them in the coming weeks as we gear up for the start of the school year.

School Bus drivers will have a number of different trainings that they will be attending over the summer and the course of the next school year. In addition to a driving evaluation they will attend training on Operation Lifesaver (railroad crossing safety), First Observer (Situational Awareness), DDC4 (Defensive Driving), Backing and Pre-Trip Inspections. Our GO Riteway training team will be leading these training sessions.

We will continue to accept applications for drivers through the summer and going into the school year. Please go to our web page: www.goriteway.com and go to employment tab to look for opportunities.

If you have any questions, would like to hear more about employment opportunities please feel free to contact us at clinton@goriteway.com.

Have a great summer!

Sincerely,
