How to Join 4-H

Youth in Kindergarten (5K), first & second grade (as of October 1st) will participate in 4-H as Cloverbuds. Youth are eligible for membership through the year after graduation.

New members may join at any time during the year but must be enrolled by March 1st to exhibit at the Rock County 4-H Fair.

Members must attend at least three monthly club meetings and enroll in at least one project. They prepare an exhibit for fair or a club meeting for each project.

Each year, each member will complete a record book of their projects and activities.

The 4-H program is open to all youth regardless of race, color, gender, creed, disability, national origin, ancestry, sexual orientation, pregnancy, marital or parental status.

To join 4-H, choose a club and introduce yourself to the club leader as a prospective 4-H family.
