

Please consider supporting the PTO Collection Programs!

We currently collect the following:

Box Tops! We turn in Box Tops twice a year and earned over \$1,300 last school year! Great Job!! Keep collecting!

We also collect ink cartridges. We earn cash for our recycling efforts. This cash provides many extras for the classrooms!

And be on the lookout for Milk Moola or Prairie

Farm Milk caps or Loaves for Learning UPCs (Country

Hearth and Village Hearth bread). We are also collecting all 3 of these!

Any questions, please ask a PTO committee member or the office staff – thank you! There are red collection bins at the Middle School and Elementary School.
