

Notice of Educational Options

The Clinton Community School District offers students a variety of educational options to children who reside in the district. The District's primary educational pathway and instructional program for students involves a progression from 4-year-old kindergarten through 12th grade, leading to a high school diploma.

Some of the specific education programs offered to eligible students who are enrolling in and attending the District's schools include the following:

- Early childhood special education (for students who are at least 3 years old but not yet school-age)
- Clinton Connect, an online education option
- Title I programming in reading and math
- Special education for students with disabilities
- Gifted and talented programming
- English as a second language (ESL) programs
- Career and Technical Education (CTE) programs
- Work based learning options
- Individualized program and curriculum modifications
- Alternative education program(s)
 - MECAS
 - WI Challenge Academy
- At-risk education (e.g., for students identified as being at-risk of not graduating from high school)
- Summer school programming

Educational options for students who are enrolled in the Clinton Community School District that involve part-time attendance at an educational institution other than a school of the Clinton Community School District include the following for the remainder of the 2017-18 school year:

The Course Options Program, which

- Provides opportunities to apply for approval to take up to 2 courses at another educational institution;
- Is subject to state and local eligibility requirements, including the limitation that the courses must satisfy a high school graduation requirement; and
- Includes certain District-approved dual credit opportunities that the District offers in conjunction with a partner institution of higher education.

The Youth Options Program, which

- Provides opportunities to apply for approval to take courses at certain institutions of higher education;
- Is available only to students who are enrolled in the 11 th or 12th grade.

** Effective for the 2018-19 school year, the Youth Options and Course Options programs will be replaced with the Early Credit Program (ECCP) and part-time open enrollment program.*

Additional educational options for children who reside in the District that involve full-time enrollment/attendance at a school program, or other educational institution that is not a school or instrumentality of the Clinton Community School District include the following:

- High school students meeting certain age and other eligibility requirements may be permitted to attend a technical college or certain other programs for the purpose of completing a program leading to the student's high school graduation or to a high school equivalency diploma.
- Full-time open enrollment involving physical attendance in a public school of a nonresident district or attendance through a virtual charter school that is associated with a nonresident school district.
- Beginning in the 2017-18 school year, a child with a disability who meets the program's specific eligibility requirements may apply to attend an eligible, participating private school under a scholarship awarded through the state's "Special Needs Scholarship Program", as established under section 115.7915 of the state statutes.
- Enrollment in a private school of the family's choosing (at the family's own cost, as applicable).
- Enrollment in a home-based private educational program as provided under state law.

Educational options for children who reside in the Clinton Community School District but who are enrolled in and attending a private school or home-based private educational program include the following:

- Such students have the opportunity to attend summer school classes/programs offered.
- Private school students in high school grades have the opportunity to apply for approval to take up to two courses per semester in a District school, pursuant to section 118.145(4) of the state statutes.
- Students who are enrolled in a home-based private educational program have the opportunity to:
 - Apply for approval to take up to two courses per semester in public schools as provided under section 118.53.
 - Participate in District interscholastic athletics as provided under section 118.133.

The District's schools, and each school's most recent state-assigned performance category are listed below.
