

Notice of Educational Options

The Clinton Community School District offers students a variety of educational options to children who reside in the district. The District's primary educational pathway and instructional program for students involves a progression from 4-year-old kindergarten through 12th grade, leading to a high school diploma.

Some of the specific education programs offered to eligible students who are enrolling in and attending the District's schools include the following:

- Early childhood special education (for students who are at least 3 years old but not yet school-age)
- Clinton Connect, an online education option
- Title I programming in reading and math
- Special education for students with disabilities
- Gifted and talented programming
- Advanced Placement Courses (AP)
- English as a second language (EL) programs
- Career and Technical Education (CTE) programs
- Work-based learning options
- Individualized program and curriculum modifications
- Alternative education program(s)
 - GEDO2 Program
 - MECAS
 - WI Challenge Academy
- At-risk education (e.g., for students identified as being at-risk of not graduating from high school)
- Summer school programming

Additional educational options for children who reside in the District that involve full-time enrollment/attendance at a school program or other educational institution that is not a school or instrumentality of the Clinton Community School District include the following:

- High school students meeting certain age and other eligibility requirements may be permitted to attend a technical college or certain other programs for the purpose of completing a program leading to the student's high school graduation or to a high school equivalency diploma.
- Full-time open enrollment involving physical attendance in a public school of a nonresident district or attendance through a virtual charter school that is associated with a nonresident school district.
- A child with a disability who meets the program's specific eligibility requirements may apply to attend an eligible, participating private school under a scholarship awarded through the state's "Special Needs Scholarship Program", as established under section 115.7915 of the state statutes.
- Enrollment in a private school of the family's choosing (at the family's own cost, as applicable).
- Enrollment in a home-based private educational program as provided under state law.
