

Facilities Use Information

The Clinton Community School District's goal is to allow public use of the District's buildings when they are available. Public access and use is subject to all Board policies, as well as school procedures, regulations, rules, and guidelines. The use of school buildings or facilities is done by application to the District Office. Such use will be permitted only at such times as the facilities required are free from district curricular and extra-curricular activities.

If your organization would like to request use of one of the facilities, please contact the Buildings, Grounds and Department at 608.676.5482 ext. 2141.

IMPORTANT!!! New Facility Use Information

The following items **CANNOT** be used on wood gym floors:

1. Do not use any household products – these products are not designated for gym floor use and may damage the flooring or floor finish.
2. Never use any material or equipment that is also used in hallways. This will transfer waxes and other chemicals to the gym floor.
3. Do not use any disinfectants on the gym floor.
4. Do not use automatic floor scrubbers on the gym floor as the weight of the machine, the continual abrasion and water being pushed into the floor will cause damage to the finish, flooring and under structure
5. Do not use lifts or heavy rolling objects on the floor without contacting Stalker Flooring for specific instructions on YOUR gym floor.
6. Do not use TAPE (including gym tape) due to the new floor systems and VOC requirements
7. No food, pop, Gatorade, or popcorn will be allowed in the gym
